Troubleshooting

- If no account appears after authentication, refresh the Complaint Warrior page.
- Check the 'Connected Gmail identity' dropdown in the sidebar.
- If authentication fails, repeat the process from Connect Gmail.
- If you have multiple Gmail accounts, authenticate each account separately.

- Make sure pop-up blocking is disabled for the Complaint Warrior site.
- If Google reports access denied, ensure your email address is authorized for testing.

Security Information

Complaint Warrior never asks for your Gmail password.

Authentication is handled through Google's OAuth process.

You can revoke access at any time from your Google Account security settings
